Re: Notice of Filing –UNS Electric, Inc.’s Annual Time-of-Use Tariffs Report  
Decision No. 74235, Docket No. E-04204A-12-0504

Pursuant to Attachment J of the UNS Electric, Inc. (“UNS Electric”) Settlement Agreement approved by Decision No. 74235 (December 31, 2013), UNS Electric is required to file an annual report showing: i) how many customers are taking service under UNS Electric’s Time-of-Use (“TOU”) tariffs; ii) how much those customers have saved relative to its non-TOU rates for the same class of service; iii) how these tariffs have provided a benefit to UNS Electric; and iv) the subscription and savings of customers taking service under the LGS TOU-S and SGS-TOU-S rates. Please see the attached report for the required information.

If you have questions regarding this report, please contact me at (520) 884-3680.

Sincerely,

Jessica Bryne

## UNS Electric, Inc.'s Annual Time-of-Use Tariffs Report

---

The following information is based on 2013 activity:

How many customers are taking service under UNS Electric, Inc.'s ("UNS Electric") Time-Of-Use ("TOU") Tariffs?

**Response:**

UNS Electric currently has **197** customers on TOU tariffs.

How much have customers saved relative to its non-TOU rates for the same class of service?

**Response:**

<u>Class Description</u>	<u>Savings By Class</u>
Residential Service	\$5,812.74
Small General Service	\$2,358.02
Large General Service	\$2,596.77

How are these TOU tariffs providing a benefit to UNS Electric?

**Response:**

The TOU tariffs allow UNS Electric customers to shift and conserve their usage, which helps reduce the need for UNS Electric to build and operate new power generation stations, which saves everybody money and even helps protect the environment.

Please summarize subscription and savings of UNS Electric's TOU customers on the LGS TOU-S and SGS-TOU-S rates.

**Response:**

There are no customers taking service on these rates.
